Statement Provide a statement of justification of term in office in 200 words or less.

1.) The lease agreement issue is now publicly known to be the result of needed legal action as well as ill advised action; & then irresponsible inaction, by the City of Unity Council.

2.) Every effort has been successfully made to comply with records requests. Any hindrances to this process are thoroughly explained to the public at regular business meetings as a matter of policy requirement. In addition, all recent meetings have been live streamed.

3.) Many public statements have been made by Debbie Gregg expressing the intent to find any and every way to hinder the performance of the entire current UCH&RD Board, beginning with & centering on Dan Davis. Many, if not most of these statements have been riddled with now verified erroneous information.

4.) Vacant Board positions have been filled according to applicable law which does not require, nor has there ever been an expectation for public input regarding said appointments; as explained at numerous public meetings.

5.) Public Law, historical records & recent District meetings have demonstrated that traditional use & Oregon State Law are being satisfied in current and planned future endeavors for the Unity Community Hall, it's grounds & facilities.

By signing this document I hereby certify that the information in the above statement of justification is true.
